“ Ron's Passport has been stamped for his greatest journey and final destination. It was our pleasure to have been on many journeys around the world with him. Ron's legacy is his children Keith, Jennifer and granddaughter Kate whom he loved very much. He was a great step father to Vicki's children and a doting grandfather to Brady and Ella. He loved and adored Vicki and they had a wonderful life together. We should not mourn his passing but be grateful to have have had him in our lives. His spirit will be found on his beloved golf course, in his home and in all of your hearts. We should remember him as a loving, kind, generous, dedicated and humble man. Bon Voyage friend. We will cherish our memories of times well spent.
