“ Barb, we are so very sorry for your unexpected and deep loss. We are afraid we didn't know him well and its our loss, but what we did know of was that he was a friendly, fine and courageous man. You took care of him so well and you both were a perfect loving couple and we believe you were very well suited for each other. May the good Lord give you the strength to get through this very trying time, now and days to come. God Bless and watch over you always.

“ A truly sad loss for all that knew Ron! Although I only knew Ron for the short time he worked at Glenview, that time will always be cherished because he always was upbeat, had a constant smile on his face and always willing to help out regardless of what needed to get done; a step above and beyond. My condolences to Barb and the entire Priest family. Rest in peace Ron!
