“ Words can't describe my sense of loss for my friend Ron. I'm grateful for the lifetime worth of memories I have of his generosity of spirit, sense of adventure, calm nature and incredible sense of humor.

“ My heart goes out to Gail and the rest of Ron's family for the loss of her loving husband and their loving brother.

For close to 30 years, Ron was a very dear friend of mine. He had one of the driest and most irreverent senses of humor I've ever encountered, and even now when I think of how much I'll miss him, I can't help but chuckle at some of the laughs we shared over the years. Most of all the tiny Elvis jokes we cracked whenever we got together or talked on the phone. Peace be, my friend.

“ Dear Gail & Family,
My name is Winter. I wanted to give my condolences to you and your family for the loss of this dear one. The account found at John 11:39-44 brings me great comfort by what Jesus did for Lazarus. Christ promised to do the same for others at John 5:28-29. My prayer is that God gives you the same comfort by means of His Word and promises. I am sorry.
