“ Dear Megan and family I was shocked to read about Ron's death. Maybe if I had kept in closer touch I would have been aware of his health. You are much too young to be a widow. Know Ron would want you to live your life to the fullest. I pray that you will be able to do that. Much Love, Lib

“ We extend to you our heartfelt conolences at this time. We did not have much opportunity to get to know Ronald since the military kept us on the move. However, the little time that we were in his presence we found him to be a very kind, easy going and talented man. May God be with you as you grieve this loss yet celebrate his life.
