

## Ronald Timson

September 18, 1946 - June 1, 2022

Ronald Paul Timson, age 75, died on Wednesday 6/1/2022 at his home. Ron is survived by his wife, Donna Lyn, son Jason, daughter in law Christina and sister Becky. He has three grandchildren, Marilyn, Gaige and Blane.

Ron and Donna Lyn met in college at Lake Sumter Community College where he played baseball and basketball. Upon graduation he enlisted in the Air Force where he did a tour in Vietnam. He was highly decorated and served his country all over the world for 22 years before retiring with the rank of Captain. After the military, he became a teacher/athletic director and coached football at the high school level for the next 25 years beginning in Nebraska and ending in Florida.

Ron touched the lives of numerous students and athletes during his tenure as an educator in Lake County Florida. He was the head football coach at Umatilla High School for many years winning multiple championships with his program. He then moved to Tavares High School and assisted in their football program before retiring. He remained a substitute teacher so that he could still be involved with the students/faculty/athletes whom he loved.

Ron and Donna Lyn were happily married for 52 years.

The family asks that in lieu of flowers you consider donating to Donate Life for organ transplant.

“ *Donna, I was so sad to hear the news. Ron and I first met some 20 years ago when he was coaching at Bellevue, and we connected at a clinic in Denver. For several years after that we stayed in pretty close touch because we shared so much on the football side. When you all moved to Florida, we stayed connected and continued to see each other at Atlanta clinics. He was such a good man and such a good coach, and just speaking for those of us in the coaching profession, his passing is our game's great loss. God bless Ron Timson.*

“ *Ron and I graduated from Lebanon High School in the same class. He was always kind, friendly, smiling broadly and laughing often. A star in the sports arena, and a good friend to all. I wish for you, his family, peace and comfort at this difficult time.*

“ Donna, Jason/Chris and family and Becky and family,  
I don't know exactly what to say. Ron's passing has hit me hard!  
Each of you have my deepest condolences as you've lost a very  
important part of your family!  
Donna, I cherish all the times you stopped at Mom and Dad's to just  
say "hi" and visit! They were special! I remember the time you  
brought the grandkids with you to proudly introduce them to us! Our  
times then and on the phone are great memories!  
Becky, you lent me your big brother to be a part of my life as we  
went though the last two years of high school! He was always trying  
to keep his little sister out of trouble by keeping an eye on you!  
For each of you, I hope the many memories you had with Ron will  
help bring a smile as you remember him in your time of sorrow.  
I send you all many hugs!  
My deepest sympathy, Karen Arnold

*That's an awesome picture. There is a special place in my heart for both of them. I have so many great memories of attending the Umatilla Football games. Ron was, and always will be a role model that I will remember and never forget. May all of you find comfort in knowing that Ron has touched so many people, myself included. Peace be with you.*
