Obituary of Ronnie Reichert

Ronnie Jerry "J.R" Reichert, 65, decided to leave this world with his head held high and his wings outspread to meet our heavenly father on May 26th. The memory of his warmth, kindness, and love for his family and life cannot now, nor will ever be dimmed. He was born in Camilla, GA on November 30th, 1947 to the late Edward and Mamie Ruth Reichert. His family eventually moved to Leesburg, Fla. where Jerry graduated from Leesburg High School in 1966. A few years later he met the love of his life, Susan Sanders and they married on May 3rd, 1975. He worked as a frame man at Century Tel for over 30 years and remained a loving, doting husband and father to 2 children, while Susan remained a devoted stay at home mom. Jerry had a love for history and enjoyed participating in Civil War reenactments. His hobbies included spending time with his family, drawing, sketching and going to the movies. He is survived by his younger brother, Rick, his loving wife, Susan, his son, Jeremy, his daughter, Janna, and son "in- law, Daniel. He will always be remembered as the man who bent over backwards to help others and believed that God and his family were the two most important things in his life. To his three grandchildren, Ashlyn, Ariel, and Micah, he will always be known as "Papa." The family would like to thank Jerry for the wonderful memories: his huge heart, his wonderful smile, his sense of humor, the hugs, the kisses, the joy, and for being the best father and Papa he could ever be. Because of

this the family will not mourn his death, but celebrate his life. There will be a "Celebration of Life" service held on Thursday, May 30th at 6pm at Heritage Community Church, Fruitland Park, FL. Celebrate with photos, music and bring your favorite food dish. In lieu of flowers, donations can be made, in Jerry's name, to John Ritter Foundation for Aortic Health at <http://johnritterfoundation.org/your-aortic-health/>

“ Goodbye my friend. Throughout life you meet many people and some become friends and once in awhile you meet someone who you know you can count on. Jerry was that kind of person. Jerry I wish I could say we will meet again but I am sure there is a special place in heaven for the really good people and there are very few that qualify. I have no doubt you are among those few. My condolences to Jerry's family and I am sure you feel as I do, it was an honor to have know Jerry. He will be missed and never forgotten.

“ I feel like a little girl who just lost her daddy. I hurts beyond anything I could ever imagine. I want to crawl into our lap right now and hug you. Fathers are suppose to be immortal in the eyes of their little girls. But I realize who are worth more than this world could give. I'm so blessed that I had you for 31 years and for making Jeremy and my childhood so amazing. I'm grateful you were there in every moment in my life that mattered. I take you wherever I go and your memory will be carried in my children. Your legacy and love is forever part of our family. I love you Daddy! Until I see you again!

“ *Though we had not the time to get to know him that well, what you have written sounds every bit true to what we have known of him. Parting for a while may be such sweet sorrow, as they say, but, oh what a reunion we shall know on that eternal day.*
