“ *Granny Vaughn will be greatly missed! She was the cornerstone of the family. She was an example of love to all who knew her. I'm thankful to have had all the memories I do with her. And one day, I will see her again in Heaven.*

“ *I handled Ms. Vaughn's auto insurance policy from 1986 until 2012. I was a senior in high school when I first wrote the policy. For the 20 years that she used to come and see us, she was always so patient and kind. I remember that when she would come in to pay her bill she would always look so nice in her dresses and jewelry. She was such a nice lady and a real positive influence on me from a very early age, especially at the very beginning of my career. I know that she will be greatly missed. Our thoughts and prayers are with her family and friends.*
