“ So sorry about the loss of your mom. I went with my mother to visit her several years ago and I remember that she had a wonderful energy about her. Please accept my condolences.

“ Steve and Barney, So sorry to hear of Rose's death. What a wonderful picture of her. Just as I remember her - always happy & smiling. She was such an amazing lady. So many memories of spending time with she and Gardner in Landover. Jim and I always had so much fun with them. I know what a great loss this is for you and your families. I hope there is comfort in knowing she is now with Gardner. Love, Jeanne

“ Steve and Barney, My heart goes out to you and your family. Your Mom was so kind and such a loving person. I have wonderful memories of her and your father when we were growing up in the fifties and sixties. If you described a perfect 1950's Mom...Rose would be that person. I share in your grief...she will be missed. Love you, Buddy

“ To My Favorite Cousins Steve & Barney, We have lost contact with each other over the years and I often wondered where all my family moved to. Your mom & dad were always my favorite Aunt & Uncle & you both were my favorite cousins. I have great memories of the boat trips on the Cheaspeake Bay & Uncle Gardner and my dad Al always throwing a crab up on the roof. I was always the 1st one to dive into the water. I'm sorry I didn't know Aunt Rose was sick or had a phone number to contact all of you. Sam & I are in the book & live in Culpeper, VA. My sister Bobbi told me of Aunt Rose passing when she called me today. God bless all of you at this time. I will always cherish my memories of Aunt Rose & Unk. You can contact me by e-mail when you get a chance. Love Always, Linda Leclercq (Al & Lil's daughter) Thompson
