“ I am so sorry about the passing of Rose. She was always such a sweet and gentle soul. I am sorry I was not able to make it to the service; however, the hurricane made it impossible to leave my home due to road closures and power outages. Our entire family sends our sincere condolences to Uncle Jack and the boys. I hope we are able to meet up in the near future. Once again, know that Rose is in a place of peace and she is resting peacefully along with all our loved ones who have passed before us.

“ With heart felt sympathy for Rose's family, I sincerely regret that I cannot personally come to say goodbye to Rose, my sister in Christ. Please accept my condolences. My prayers go out to her entire family. To John Sr., John Jr., Kevin, Sean and the rest of the family, may the Lord give you strength through these difficult times. Words cannot express the spiritual bond, the love and the friendship Rose and I developed over the years we spent at Bear Lake United Methodist Church. We shared the same thoughts, and practices of childcare, both in the ministry at Bear Lake and in our homes. Rose is a great mother, caregiver, and super wife to her dear husband John, and she is one of my best friends. I say "is" because her spirit is still with us. Rose loves the Lord, love people and loves her family. My sister, and friend! Rest in Peace
