“ Aunt Rose Marie was truly one of a kind. I've never met anybody more considerate and thoughtful in my lifetime. She has taught me many valuable lessons and needless to say, a great role model for myself and my children. If Aunt Rose Marie even had an inkling of an idea that you needed something she would make sure to help you no matter what it was. One of the most important lessons she and my own mom has taught me is to never give up. Always be persistent, put in 100% into everything you do. If you give it your all then you can be proud of what you are doing whether or not you succeed the first time. Heaven has gained one of their most beautiful and amazing angels. We will miss you Aunt Rose Marie but we are being selfish to keep you here with us. You are in a much more incomprehensible amazing timeless place, heaven. She is with Our Lord and Savior surrounded by all of her loved ones and they are together and happier than we could ever imagine. I will cherish my memories of my precious Aunt always and her legacy will live on through all of us. 💖

“ My sister Rose Marie has been my sister, a mother at times and a friend always. I have many memories that I'll cherish forever. She advised me and always had encouraging words for me. I miss her very much and I will love her forever. I look forward to the day that I see her again.

“ My first memories of Rose was when she was working in the Red and White. I'd have to arm wrestle with her to carry my own groceries to my car! She was a great lady, a bit of a pistol. She'll be missed. My condolences to the family...it's a hard time, but part of life. RIP, Rosie! xoxo...'til we meet again!
