“ I am so heartbroken to hear this news, it saddens me deeply that we lost all communication for the past 10 years. I often thought about you Rosie, we had so many memories together dating back to when our kids were babies. I have no closure other than these words. RIP my dear friend. Annie (PeeWee)

“ To Bob, Colleen and the Delaney family. Bless you all in the loss of Rose. No finer person who was so kind, fun to be around and a loving mother and wife when we shared time together at my dear brother's house at celebrations or just getting together with his family. “ The Delaney's were friends of my parents, Matt and Christine Cory. I will always smile when I think of Mrs. Delaney. She was so kind and fun and beautiful inside and out. She always made me feel special. I pray that she is at peace and all her family and friends will find comfort during this difficult time.

“ I've know you since I was 16 years old. You were like the sister I always wanted, I could tell you anything. You were the Maid of Honor at my first wedding and Godmother to my first child. I will miss our long phone calls. I pray you are at peace now. I will miss you.

“ To my mom in heaven, thank you for your love and dedication. No one will understand that complexity of our relationship, but without you, I wouldn't be the person I am today. You taught me how to be resilient and have compassion for others. I will always remember your smile and how it brightened up the room. I cherish all the good times we had. Rest in peace, mom .Even though you are no longer with me, your spirit lives in my heart. I will always love you and miss you.
