“ Rest in peace to a lovely lady and former neighbor. Rosemary had a zest for life and lived it to the fullest. She usually was dressed in beautiful white clothes and wouldn't even go to the postal station to get her mail unless she was in full make- up! She was kind and very thoughtful. She was an outstanding golfer. I was thrilled to be riding in her golf cart with her when she got one of her six holes in one! It was a pleasure to know this beautiful lady.

“ I first met Rose Mary just a few weeks ago she was on a mission. She wanted to find the perfect Palm For her front yard she knew in your heart that she only had a few more weeks So her son and I took her out on the golf cart and road around the palms; We started talking and she mentioned her health issue to me. I informed her that I was a retired hospice nurse. We just clicked after that ! The family has been very nice to keep me updated on her condition and with the help of the Staff At Fairfield Farms we were able to make Sure Rose Mary was able to see her Palm-and It is beautiful just like Rosemary.

“*Rosemary
Such a regal lady.
So elegant, so devine
Talented, Artistic,
And on the greens you did shine
We shall miss you here on earth
We shall sing your praise out loud
Remembering your charm, your smile
We shall see you in the clouds.*
