

Roy Eugene Ginder

December 2, 1955 - September 15, 2020

On Tuesday, September 15, 2020, Roy Eugene Ginder of Leesburg, Florida passed away at age 64.

Roy was born on December 2, 1955 in Noblesville, Indiana to Roy Eugene Ginder and Janice Cain. On August 1, 1992, he married Jeanne White-Ginder.

Roy had a passion for cars which led him to his career as an auto body mechanic. Roy would often be found working in his barn with his bib overalls on his labor of love-his 1938 fire engine red Chevy truck. When he was not working in the barn, he could keep busy piddling around or watching his favorite cowboy shows. Roy often bonded with family or friends over a trip to the flea market, a car show, a car race, a football game, or perhaps his favorite pastime-sharing a good meal. Roy loved to tell stories, but he was humble and soft-spoken and had an easygoing demeanor. Confronted with many challenges growing up, and in his later years, with his health, he was never bitter. He loved life, and appreciated the small things in life.

Roy is survived by his beloved wife of 28 years, Jeanne White-Ginder; sons Steve (Angie) Ginder and Adam Ginder; daughter Shaun Ginder; stepdaughter Andrea White; stepmother Dorothy Ginder; half-brothers Mike Beagle, Bobby Ginder, and Jimmy Ginder; half-sisters Andrea Woodruff and Meagan Enright; mother-in-law Gloria Hale; fifteen grandchildren, three great

grandchildren and many loving cousins.

He is preceded in death by his father Roy Eugene Ginder; mother Janice Cain; half-sister Beverly Parks; and stepson Ryan White.
