“ I cant believe youre gone. I cant believe that i cant call you. Im gonna miss you so much daddy! I hope you knew how much i loved you. And i hope you also knew that i was proud of you and the effort you've made the past few years to be the daddy and papa i know you always wanted to be. I accepted you as you were daddy. I know without a doubt that you loved me and showed love in the very best way that you knew how! You have always and will always hold such a special place in my heart. The laughs ive had with you have been some of the best....that's for sure! Until i see you again in heaven, please watch over me and the kids. And if God allows it, every now and then just give me a luttile sign to let me know you're still close. I loce you daddy. Forever your "Tina-Bops"
