Kordey: I am home in heaven, dear one; Oh, so happy and so bright! There is a perfect joy and beauty, in this everlasting light. All the pain and grief is over, every restless tossing passed; I am now at peace forever, safely home in heaven at last. And he came Himself to meet me in that way so hard to tread; and with Jesus' arm to lean on could I have one doubt or dread? Then you must not grieve so sorely, for I love you dearly still. Try to look beyond earth's shadows pray to trust our Father's will. There is work still waiting for you, so you must not idly stand; do it now, while life remaineth- you shall rest in Jesus' land.

When that work is all completed, He will gently call you home; Oh, the rapture of that meeting, Oh, the joy to see you come!
