

Roy H. Trullinger

December 28, 2004 - August 20, 2024

Roy H. Trullinger, 19, of DeLand, FL passed away suddenly from a short illness. Born December 28, 2004, to Dawn & George Trullinger of DeLand, FL, he was a very social child who liked to sit and talk to people from a very young age. He traveled with his family to various places across the United States, making many friends along the way. He loved spending time with his family - from trips to Disney World with mom and attending church with Nanny to being on the road with The Fab Four with his dad and performing on various stages from California to Branson, MO to the Orange Blossom Opry - but he loved most of all to laugh, tell jokes and share root beer floats with his grandpa aka "Pop Pop." He was a huge animal lover who loved to drive the car and play video games. He will be greatly missed.

Roy is survived by his parents, Dawn & George Trullinger of DeLand, FL, his grandmother, Charlene Trullinger of DeLand, FL, his Uncle Bobby Trullinger of Las Vegas, NV and his Aunt Joan Bowman of Staunton, VA and Aunt Sandra Trullinger of New York, NY. Predeceasing Roy, were his Aunt Carolyn & Uncle Jim Hill of Pennsville, NJ, grandmother, Margaret Tiedeman of Pennsville, NJ and grandfather, Roy Trullinger of DeLand, FL

“ Dawn & George, We just learned about Roy this morning. How shocking! He was such a nice young man. He always wanted to help you, give of himself, make things better. Always upbeat. Our deepest sympathies. I had been praying for his healing since learning about his back problem. I will continue to pray for his soul. Two neighbors gone way too soon, Tom Kaminski & Roy. Bless you!

“ It's so hard to believe that Roy is gone... he was one of my best friends and will always be one of my best friends. I'm just happy he's no longer in pain anymore. But I will always cherish the memories I have of him. Like the times me and him would just go to Walmart just because and have an adventure, the times me and him would go to his grandma dede's neighborhood to ride her golf cart, when his mom Dawn and him got me a 3 day Disney pass, and the times we went to Golden corral. But most importantly the memory I will cherish forever is when me and Roy first met in Mrs. Bastions 9th grade pre-algebra class. These memories will always have a place in my heart..I just wanna say to Mrs. Dawn that I will always be here for you no matter what don't be afraid to contact me and thank you for everything you've done for me.
