“ I worked with her in my early years with Publix-back then it was Food World next to K-Mart in Leesburg. She was an excellent cashier and helped me learn my job more than anyone else. She called when I was in the hospital and was a very caring lady. I will miss her tremendously but know she is receiving her reward for all the wonderful things she did and lives she touched.

“ Dearest Connie and David, what a joy to know you as our neighbors and friends. We did not know Connie's mother but I pray you a peace that passes understanding. I know the Lord will bless you and heal a broken heart as He has mine in the 9 months since my mother died. The Lord Jesus will guide your every footstep and give wisdom in all the circumstances involved in a precious mother's death. We do love you.
