“ It is much sadness that I have learned of the passing of Miss Ruby. She was my Principal at Annie R Morgan from 1966 to 1971. She was a friendly yet sometime strict Principal (She did give me swats a few times) but I do remember her friendly smile. Please accept my heartfelt sympathy.

“ Ruby was a beautiful person. She was always taking care of someone. All her life she served other people and her community. Her faith in God was strong and her support of the church immeasurable. My husband and I were so blessed to have known her. She enriched our lives so and her freindship was such a blessing. Our condolences to her family and friends. May your fond memories see you through this time of sorrow.

“ My brother, Kevin, and I both attended Annie Morgan during Mrs. Johnson's years. She was well repected by parents and students. I remember being especially impressed when she visited our church and my parents told me she was a Christian. We were fortunate to have such leadership.

“ I remember Mrs. Johnson as a caring person who had her students' best interest always in mind. She was at Annie R. Morgan all of the six years I went there and my two brothers also. She was a wonderful person and touched so many young lives in a very positive way.

“ I am what I am today because of her. I remember her well and she me, because I was the last of the 14 that came thru the doors of "Annie R Morgan" school. We had our little talk of that first day, to get things straight, in case I had any sort of a problem. She introduce the "paddle," and wasn't afraid to apply the board of education to the hind parts of my anatomy. I was a quick learner, and fear the front Office. We always greeter her with respect and honor and came to love her dearly. Got to see her again a couple of years ago at our Paxon High School Reunion and couldn't believe she was still here ! God has been good to her. Thank you, Frank for sharing your mother with us all.

“ I started 1st grade at Annie R. Morgan in 1954 and left in 1960 to start junior high. I have wonderful memories of Miss Ruby, Annie R. Morgan and all of the Woodstock Park area of west Jacksonville. We were a tight knit community that centered at the local churches and Annie R. Morgan. I'll never forget the field trips to the Frito Lay Factory on Beaver Street, then lunch and play time at Woodstock Park then the walk back to the school. What a wonderful environment of learning and love. Miss Ruby was the magnet for the entire community. My deepest condolences to her family and my sincere thank you to her. She was a great lady.
