“ I have just come from saying goodbye to Miss Ruby at Beyers. What a nice service and Miss Ruby would have been so-o proud of her family. I'm sure she already knows this. I know her prayer would be for everyone to now get on with their lives as she is now at peace thru Jesus and the love ones who have gone before us. She is no further away than a picture, that wonderful smile or something Miss Ruby has taught you. Our loved ones live in memory. May beautiful pictures and memories give you all strength in these most difficult hours. God Bless your family.....

“ I was greatly blessed and very lucky to have have such a kind understanding mother that was there to always guide me through life. A mother that lived her life for her three sons. It realize that there must have been times it was hard but, she never complained. She did everything she knew to teach us to do the things that were good, right an honest. She was loved and respected by everyone that that knew her. I will miss the afternoons I would spend with mom each week. You are an example of what the the word mother means. I know how much you have misses dad the past 10 years. I hope that those that know and loved you can have peace in in their heart knowing you are where you have wanted to be for a long time to be in heaven with dad. God bless you both. Very proud to call you. Thanks LOVE YOU MOM, Ed
