“ Hi. My name is Betty. I recently met Rudy at a meeting and asked Rudy to help me. Rudy was very gracious. He came to our home one Saturday in March and trimmed palm trees and a ficus tree in the back yard. He was wonderful. We had the most wonderful conversations and I enjoyed his loving kind spirit. I told Rudy he had the most beautiful blue eyes , that the eyes are the windows to the soul and that I knew he had a beautiful soul. After the work was done, two trips to the dump, I fed him a nice meal and we talked more. Also, Rudy showed me the beautiful work he and his partner accomplished on the home for sale. Rudy was happy and smiling and spoke to me of how much he loved his family. Come to find out, Rudy was born the same day as my children's Father, February 7th. I just this morning found out about Rudy this morning after the 7 am meeting. I had asked one of the men if he had heard from Rudy because I still owed Rudy money for the work he did. I wish to come meet Rudy's family today at Fort Desoto and to tell you about the coneverations Rudy and I shared and the show you the pictures I took of Rudy that Saturday. Please know how truly sorry I am and how sad I feel to know Rudy is gone now. Before Rudy left the house that Saturday afternoon, I told Rudy I would pray for him and I included him in my prayers during the close of each meeting while saying the Lord's prayer, including this morning. I only knew Rudy for a very brief few hours but I can tell you now, I will never ever forget his beautiful kind loving spirit. Respectfully, Betty Kramer
