“ *I wish to express the sorrow that mother and I feel to learn of Rudy's passing. He was a close friend to my father and I remember him standing up and speaking at Dad's funeral in 2001. He ended by saying that he was going to bake one of his famous cherry pies and deliver to our family on Dad's 95th birthday. Unfortunately he had suffered a severe stroke himself before that date. I never drive by Simplex that i don't think about Rudy and what a great guy he was. We extend our heart felt condolences to Helen and the family.*
