“ What a privilege it has been to be a friend and know Russell over 60 years dating way back to my early childhood. I was so glad when we reconnected in recent years via e-mail. What a guy who could manage the computer in his senior years. That was impressive. I know he longed and looked forward to the day when he would be going to Heaven to be with Jesus and also be reunited with his sweetheart. We send our sympathies to his family and have fond memories of all of you. Love & Prayers, LaDon & Bill Kallmer

“ I became acquainted with Russ while visiting my mother at Sterling House in Leesburg. I found Russ to be a fascinating conversationalist and most interesting person to visit with. Despite his advanced age he had a keen mind and a sharp wit. He will be sorely missed by his many friends at Sterling House.
