“ *My Dearest Cousins, I will not be able to be there except in my heart. My sisters are out of town and Ken will be gone also so I would have to drive alone and that would concern the family. I thought about it but it would be their concerns that would not be fair. I so loved my Uncle Russ and Aunt June. They were always so loving to me and Uncle Russ' calls on my Birthday I will always treasure. The girls and I will be sending something to the church in their memory. Much love and prayers. Donna*
