“ Rusty: he was a good man. He was a good son, brother, husband, cousin, father and all around genuine soul. He never judged anyone or anything. He was the kind of man who made everyone feel equal. His passion for wood working , horticulture,gardening, music and family were just several things that made him happy and full of joy. He raised his sons to be men of integrity, morales,ethics and love. "Cuzzy" was an endearing term he used often. He loved his mama and sisters with all of his heart. We will always love,miss and cherish you,Dad. Thank you for being you! See you again,WT-Bone!####GESTURE###
