“ Jo Ann, Greg & I want to express our deepest sympathy to you and your family. We are on our way to Hernando, MS for the funeral of Greg's godmother and happened to read about Russell's death in the paper. We were so shocked! You had told us you would be gone for awhile so not to worry, we have thought about you both often and knew we would see you soon in class. We are so sad and I pray the Lord gives you the Strength to get through this very difficult time. Our love and friendship.
