“ *Dear Terri, I worked with your husband for 5 yrs most mornings. My husband was also blessed with meeting him. I can only tell you that I so admired him on how much devotion and love he had for you and his family. Words cannot describe how much sorrow and impact this has had on you and your family, but also to many people at work. He was a fine man. I will remember him with admiration and wonderful memories. God Bless to you and your family.*

“ Please provide this email to Darryl and Lou: Dear Darryl and Lou, I am sending this to you on behalf of my aunt and your long-ago bowling partner and friend, Erna Kracke. (She does not have a computer and thus doesn't do email. I am Barbara, her niece) She wanted you both to know how very sorry she is and sends her heartfelt condolences to you both for the loss of your beloved son Russell. She heard the news a few days ago, then read the announcement in the Orlando Sentinel. She hasn't been able to stop thinking about you both and remembers back to many wonderful story's and family gatherings you shared with her. She knows that words cannot express what this loss means you both and your family. She wanted to reach out and let you know that she hasn't forgotten about you and has always treasured her memory of happy times, laughs and your friendship when she lived in New Port Richey. Please accept my sympathy, as well. I am so sorry for your loss. Barbara Johnson'
