“ Dear Loved Ones, It is my heart-desire to let you know that I am thinking about each of you today as you gather at Northside and celebrate the life of Ruth. I'm sure you will miss her immensely, each one of you. I know I will. She has been such a loving and caring person to me and my family for quite a number of years. You may not remember, but she made a genuine attempt at being my secretary, shortly after I came to Northside. From that time forward we shared a very special friendship. And ever since I have known her, she never failed to remember my birthday, and would always enclose a thoughtful check for me to enjoy. What a grand woman she has been! Find happiness in knowing what she has meant to several different people. She would call me approximately every month or so, just to check in and find how we were doing, all the while, wondering when my vacation was going to be over, and I was coming back to Florida. It is people like her that make ministry such a delight! And naturally, she was such a sport, I always enjoyed ribbing her about something. She has given my life encouragement and enthusiasm on many different occasions. She will be in my heart and mind forever. Please know that I wish that I could be there with you today, and giving her all the accolades she so deserves. I know each of you will experience her loss, but be keenly aware that she has a hope and a future that cannot be erased. She sought to instill and encourage everyone to that ultimate end, and I do hope you will adhere to her advice. Eternity is hers. Make her proud! To Frank, and James and Eric, and all the grandkids, and family and friends, we extend our love and thoughts and prayers. Hank, Becky, Lindsey and Mark Melton
