“ Dearest Lisa & family. We are so sorry. When we lost our Jennee from CF, Ryan was always in our thoughts. We always wondered how he was doing and prayed for that cure. Somehow we lost touch. We can only hope that Ryan didn't suffer but we know this disease is cruel. It's a horrible thing for any family to go through. I remember when he was my paper boy and then you (Lisa) took over. We somehow found out that we shared CF in our lives. As my niece was coming to the end, your son was just beginning. It's a tough road ahead Murray family and what helps is doing what you can in his memory. May he rest in peace. Life is so unfair. Please email me Lisa. I would like to know more about Ryan. He was only 12 when I knew him.

“ My sincere condolences. May you be comforted by the hope of our loving heavenly Father, that we will one day have the opportunity to see our loved ones again under better conditions (Acts 24:15, Revelation 21:4). May these words help you at this difficult time as they have done for me in similar circumstances.

“ My dearest cousin, you were a bright light within our family with a smile so contagious that even the toughest of crowds couldn't resist. Smart, talented, caring, loving - you leave behind a legacy of what a true fighter is with the highest level of dignity. You had a heart bigger than any ocean and our family will miss you deeply, but we will celebrate and honor all that you have shared and taught us while God blessed us with your presence. You will forever be our angel, wrapped in the embrace of our other dear angels that receive you (Mimi, Ga, Uncle George) and with them and the good Lord, you are home. May you rest in peace, sweet Ryan. I love you.
