“ Ryan was a friend and a colleague. Though I only knew him 3 years, he was the guy who would give you the shirt off his back to help you out. He helped me survive when I lost my job, by providing me with the extra flying opportunities I needed to pay the bills and put food on the table. I will forever be grateful for all that he did. Aside from that, he was a great friend and a wonderful person to be around. I will always remember the time we spent in the Bahamas catching lobster and feasting on it. Ryan, you will forever be missed. Thank you for all you did and for being an awesome person! Rest in peace and God Bless you and your family.

“ We are so sorry for the loss to your family. It is so hard to be in the position that ya'll are in today. We too, buried our child, our daughter, when she was 33 yrs. old. Know this, God is always there, knowing all, seeing all, being with you through the whole thing, if you'll lean on Him. It's so hard to do that but it's what will take ya through the whole process. God bless ya both, and Mary, and remember you'll see both men again.

“ I was a friend of Ryan's in school and am deeply saddened by his passing. Although we did not keep in touch often since graduation, it was obvious to me that he did not change in personality. Ryan was an amazing person who livened up his surroundings with his friendliness and funny jokes. I am praying for comfort for your family.

“ *Vince and Betsy, I was so very sorry to hear about Ryan's accident. Please accept my heartfelt sympathy. You both were always such wonderful, loving parents. I recall when Ryan was a teen and drove his dad's truck into a lake, then had it towed out and tried to have it repaired before you got back into home. Along with astonishment, there was love and patience in your voices as you recounted the story. I am so sorry for your loss. Much love to you all during this difficult time, Stephanie Wolanski*
