“ Grandma, December 29 will be 10 years since the Lord called you home. My life has and never will be the same without you here with me. I am dealing with your departure from this World better but nothing has been the same. I look at your pictures and smile know when all I used to be able to do is cry. I focus on our special memories we created through the years and as I get older I find I am more and more like you. When it's my time to be called home by the Lord I feel peace knowing I will see you again. Our bond we shared was the most special bond that anyone would be so blessed to have. I will continue to love you as deeply as I did when you were here. I know without a doubt that you are living the best life, the most peaceful life in heaven with Our Lord and Savior Jesus Christ. I love you soo much, My precious Grandma.
With Eternal Love,
Your Lil Girl ~ Missy
