

## Sally Lynn Blevins

October 14, 1965 - February 10, 2022

Sally Lynn Blevins, 56, passed away peacefully on February 10, 2022, with her family by her side in Weirsdale, FL.

Sally grew up in Ft. Lauderdale, FL, and graduated from Stranahan High School. She called Tampa, FL home for the last 28 years and worked as an investigator for the Hillsborough County State Attorney's Office until she retired in 2020. Colleagues in the homicide division recognized her incredible passion and talent. She was a fierce advocate for the victims and their families, working tirelessly to bring them comfort.

If you needed anything, Sally would drop what she was doing to help her family, friends, and coworkers, no matter how busy she was. She was warm, funny, generous, and kind-hearted. She loved having fun and spending time with friends and family. Sally loved bringing joy to others, which may have been simply calling a friend to check in, making someone laugh when they were having a bad day, or crocheting one of her signature "Sally hats."

Sally celebrated life fully and touched the lives of the people she met along the way through her selfless generosity. Those closest to Sally are heartbroken over losing a truly beautiful spirit who will be forever in our hearts.

Sally is survived by her parents, Linda and Al Blevins; her sister, Tracey; her

brother, Gary; nephews Dustyn and Reed; niece, Skyler; and many close family members and friends.

A Celebration of Life is planned for Sally on Saturday, February 26, 2022 in Weirsdale, FL. Please reach out to her sister, Tracey Blevins Garcia, via Facebook for details. Instead of flowers, the family asks that you donate to a charity of your choice in Sally's name.

“ Rest peaceful my beautiful little sister. I am so thankful that we were able to spend so much time together this past year. I will always remember our rides in my truck when we would have some good "sister talks", i will cherish those moments and every day I got to spend with you this last year, God does work in mysterious ways!! I love you so much and will miss you forever!!💖💖💖

“ I knew Sally from the day she was born, she was always a happy girl as a child. I feel so blessed to have been her Aunt for all these years. I also feel so blessed to have been able to spend time with Sally during her last days and to tell her that I loved her.

“ What a punch in the gut. I met Sally while I was stationed at MacDill in Tampa from 2000-2003. We spent many hours...normally on a Saturday...enjoying the Florida sun reading, talking, etc. at the pool. Some of my fondest memories of Tampa. A group of us spent a long weekend in Vegas once too. I have a picture (somewhere) of all of us in front of a fountain. I will never forget you my friend.  
Beautiful and kind...

“ I'm heartbroken to hear of Sally's passing. Sally had a tremendous sense of humor. I'll never forget the day Sally called to tell me, we had to get our place staked out on Channel Dr for Gasparilla. She said, let's take a few cars and something to block the area we want. When I arrived, Sally was there with Crime Scene tape. So, we roped off the area next to our cars with Crime Scene tape, I can only imagine what people thought! I haven't laughed that hard since, she was a hoot! It was nice to have communicated over the last couple of years. I'm sad we didn't together for a visit, as we mentioned. My deepest sympathies go out to Sally's family and friends.

“ Major condolences. I was devastated when I found out. She was a great and caring person. I knew her from Davis Islands and must have known her 20 . A new guardian angel was born the day she passed.
