“ Dear family of Sally, I met Sally several years ago and we shared some happy times. She was always upbeat and generous. As I was losing my Mom(to old age) she gave me comfort and offered to help by visiting my Mom. It was her way of giving to others and was so appreciated. She will be remebered, by many women, for helping us "master" the game of mah jong. She was our "go to girl" and she exhibited such patience as we learned. We knew she might not be challenged at our games and get togethers but she nerver gave up on any of us! At last weeks game we remembered Sally. We are sure she is watching and laughing at us while we push on without her. She is missed. Margie Hill

“ I am so sad to hear about Sally's passing. I have only known her a short time but I will miss her very much. She was a beautiful person inside and out. My condolences go to her family.
