“ Sally and I was traveling partners for a number of years and we always had a great time. We looked forward to our next journey. Sally had a good sense of humor. We had lots of laughs over some of the things we did. She was kind and ready to help others in need. A wonderful lady and she will be missed. Vivian Harvey

“ Sally has been my sister-in-law for more than 70 years. She and my brother Jim made me an aunt at age 7, when my niece Melanie was born. Within a year and a half Darena came and then Gloria a year later and finally they had a son, Cale. Boy, what a joy it has been to be their Aunt Jan all these years! I can't begin to relate all of the wonderful visits I spent at their homes over that time....watching home movies of the girls going down a slide into their pool and then reversing the slide and seeing them zip up the slide backwards, sharing chores, barbeques on the grill, birthday parties, and the list goes on and on. Oh, what great memories and fun we had! Sally was always so pretty, I thought, as I watched her put on her makeup. My brother loved her so ! I would always be her "little sister" from then on, as she met me when I was just about 2 when she was dating my brother. As recently as a couple of years ago, she wanted to show me how to put on my eye make-up, and I let her. She was strong willed and spunky and was loved by all. She will be dearly missed by so many friends and family. Thank you for all the love you showed me and the things I learned from you. I loved you very much, Sally, and I always will. Jan
