They really had a lot of fun together these past few years I know John Bishop thought the world of her. Memories are a wonderful thing and I know you have many. Our thoughts and prayers will be with you on Saturday.

“ To our dearest Sally, I remember the 1st time we entered the Recovery Room, I expected to order and the 1st thing you said to us is "This is what you will eat this morning" I knew I was home. “ Sally's passing is a great loss to the City of Leesburg. I have some great memories of the morning breakfasts at the Recovery Room. I remember being extremely excited when I first started working for the Leesburg Police Department, we went to breakfast every morning and about a week into my going there Sally remembered my name, and she never forgot, I ran into her about 2 years ago and it was like we had seen each other every morning she asked about my kids by name and was really interested. I will miss her. Our thoughts and prayers to the family.

“ I want to thank everyone who has had us in their thoughts and prayers. Mom would probably be embarrassed by all the fuss over this. I am also sure that it would have truly touched her to see all the outpouring of support that was received. I know that this made it a little easier for us as a family. I want everyone to know that she went the way she wanted and she went with no pain and for that I am greatly appreciative. Once again, thank you from our whole family.
