“ *To my mother and my immediate family, Uncle Sam was family. A half brother to my mom and Uncle Don, neither of the three saw any difference. They were one. Uncle Sam was always kind to me and my sisters. I can rarely recall not seeing Don and Sam together. No two brothers were ever so close and so much alike. They both loved cars, racing, the same kinds of foods, and they loved to travel together. Always loved to here the two of them laugh; at and with each other. Finally, they are together once more. Reunited as a family again. Farewell until we with God's grace, see you in Heaven. Thanks for good memories Uncle Sam.*

“ *Sam was a wonderful loving man and my favorite cousin! I remember fondly all the visits to Florida with my Mom and Dad every summer to see Uncle Milton and Aunt Nellie, Don and Sam. We always had a great time and visit, going to the lake or over to Daytona for the weekend. I will miss his sense of humor and his beautiful smile. He was just so much FUN! I spoke with him a few weeks ago and told him I loved him. It will never be the same without him. Like his obituary said he loved boating and Nascar, and most of all I know how much he loved his "girls." Rest in peace dear Sam. I love you!*
