“ Sandra was a tough supervisor , that's what I needed as a CNA. She taught me so very much, she Loved as much as she was tough. I worked with her for seven years as a CNA then went on to work with her as an LPN. I'm not sure if I would have made it through Nursing school without her guidance and wisdom. We laughed, cryed, argued but most of all we LOVED! I Love You Sandra Kuzara ! you are a part of me and I will surely miss you !
