“ I am so sorry to hear that Kay is no longer with us on this earth. I offer my sincere condolences to her family and friends. I became acquainted with Kay while attending the City of Bushnell government meetings. She was dedicated to her position on the City Council. Her service to her community will certainly be an inspiration to the young citizens of Bushnell as they enter adulthood and become involved in their community. I will be praying for all the family and her friends, losing your loved one is always heart breaking. She will be missed, but remembered with much admiration and affection.

“ Just wanted to express our love and sympathy to Miss Elsie, Rhonda and her brothers, Joyce, Susan and all the rest of the family. I became acquainted with the Woodard family when Daddy was pastor at Gant Lake. I remember the girls quartet and how we enjoyed their singing. Sorry I won't be able to attend the services, because we will be attending the service of Jeff's classmate and dear friend. Our son-in-law is his nephew and will be conducting that service close to the same time in Groveland. I pray that God will give you comfort and peace during the difficult days ahead.

“ I have known Kay for many years, but most recently as a valued member of the City of a Bushnell government. She cared so much about her role, and took it very seriously. Her impact on our Council was positive and she made sure that every decision she made was always in the best interest of her community. She talked of her love for her family, and the wonderful trips she took with them. Kay was kind, loving, smart and I had and always will have the utmost respect for this true lady. God rest your soul Kay, we love you so very much, and praying for peace for your family.
