“ My mother was a great woman her others endlessly when ever she could she loved to cook and was very good at it . I remember countless hours at out local VFW and American Legion preparing dinners with her she would do to help raise money for them or for the seniors at Thanksgiving.

She was a care taker of her family and her friend and neighbors. I am saddened. that she is gone my mother was my best friend and I miss her everyday and wish I could just see her one more time to tell her I love her
