“ Dear John and family, I graduated with Sandy in 1958. At the last reunion I attended, Marilyn and David Gillion and me hooked up with Sandy and went to her house afterwards. We had such a good time, and I'm so glad I got to spend some time with Sandy, as I live in Texas. My heart is breaking for all of you - she will be sorely missed - everyone who knew her, loved her. She was not only beautiful on the outside, but on the inside as well. I'm sure she is smiling down on us from heaven. Please accept my sympathy and prayers on your loss. The picture that you chose is just the way I like to remember her. Love, Jaki (Spadafora) Boyd

“ *Her life will always be in our hearts and our memories. She was an amazing woman full of spirit and joy each and every time we saw her. Johnny, the apple doesn't fall far from the tree! She was the family anchor and the planner for all events and life in general. She was proud of her Scotty and all he has accomplished and adored her husband, and of course her doggies. Life will never be the same without our Sandy, her hair colors, her make-up, her laughter, her love....May she rest in peace knowing that her presence on this earth meant more to each of us than we can even think about at this moment.*
