“ *Sandi was one of the most interesting women I ever knew. This quote comes to mind: "Lifes journey is not about arriving safely at your desitination in a well preserved, perfect body but rather to skid in sideways, totally worn out, shouting "Holy \$#&! What a ride !!" I'll miss her. To Ron and the rest of the family, here's hoping great memories of Sandi will help to get you through the difficult times.*
