“ Sara was a very special person that was always glad to see us on every occasion. She faithfully sent Christmas cards when we were unable to return them. She was a thankful person and always sent nice notes. She was a strong and independent women that loved to work in her flowers and yard when she could. She was a good wife to my cousin Francis and took care of him until his death. I know the Christian lady she was will be seen in heaven one day. Our sympathy goes out to her beloved family .

“ To Sara's family This lady was my mentor when I began teaching Exceptional Student Education at Leesburg High school. Even though I was a veteran teacher, she helped me get through a lot of red tape and difficulties. She was a very hospitable person. She always included me in the department lunches. Had a lot of good food with Sara. She just loved us like we were her own and treated us accordingly. I was blessed to know her and mourn her passing. My sympathies to those left behind. She was a good example to follow.
