“ *My sweet and loving Aunt. Thanks for all the wonderful one on one conversations about my life and what I was up too generally in my twenties. Having you to go see in my younger years seemed to be a great prize for just being your nephew. You were a gentle lady, who had a sence of style and most importantly who left the judicial process of lifes everyday events in physical world to our god and thus made me feel as well as many others comfortable to be here. So this evening with a glass of really sweet ice tea, just as you used to serve, I raise my glass to the heavens above and drink in the sweetness that somehow never quitely matches the sweetness that you gave to me, just for being me.. You'll be missed, but somehow I know in my heart that we'll be re-aquainted again... Till then, with love, respect and honor... your nephew, Mark Edward Puckett eldest son of you brother Charles...*

“ *I missed knowing you, but I am blessed with being a friend to your wonderful daughter, Susan, who has apparently inherited your sweetness. Rest in eternal peace. With heartfelt condolences, Michael*

“ Sarah - I only know about you from Susan and Dwight, but I wish we would have met in person. You raised a lovely, intelligent and caring daughter with values and a respect for all around her. I'm sure you imparted the same good things to your loving brother Dwight who I respect as a man of integrity. Susan - I want you to know that this is always a hard time for all of us who have experienced it and you are no exception. You have been a loving daughter and your mom was lucky to have you. I'm sure she is at peace and in a wonderful place now.
