“ *Words can not express the sorrow. Scott is one someone that you would want to call your son, your husband, your Daddy, your partner, and your friend. He will be missed, but we will meet again someday. I believe that he has been "raised up on eagle wings and is being held in the palm of God."*

“ We, Bennie & Patricia Pope, along with our daughters, were deeply saddened that Scott's life was cut so short. We remember him as our young neighbor while living in South Orlando. He was a friendly young man, always willing to help us with yard work. I know his passing will be tremendous loss to wife and daughters, and also to his sister and parents.
