*Never Forgotten, I think of things you used to say, and all that you would do, at some point, every single day, my thoughts turn to you. To lose you was a bitter wrench, the pain cut to my core. I cried until my tears ran out, and then cried some more. This wouldn't be your wish for me, that I'd be forever sad. So I try to remind myself of the happy times we had. I know I can't be with you now and you can't be with me. Buy safe inside my heart you'll stay. That's where you'll always be. I will always love you my darling I will forever be your smiley .I miss you , you are with God now. Fly hi with the angels. Till we meet again.*
