“*Condolences to the family. I've known Sean for 35 years at NWA /Delta, and would have to say that he was one of my mentors through the years. He was always a grounded and even keeled, he taught me how to be a professional. He was always the voice of reason when performing our job. It was a true pleasure to work with him, he will be missed, his impact in all he did will be his legacy. Rest in Peace my friend, God bless him and his family*
