“ Rodney, you are gone, but you will always be in our hearts.

You were the big brother to Lorena and Bj, they always looked up to you. Yes, we had good times that will always be with us.

Growing up in Gasparillo, you would wait with your box of clothes, for Ma and I to come across the river, you were ready to go. Ma would make you fried eggs and roti or bread for dinner, you pretended to be Mahal, driving all around the house with your steering wheel. As you got older, you would wait for Uncle Rudy and I to come visit, you would take our car to go give Candy (the cow) water. Then when Rubina got married, we all stayed up watching the video of her wedding, crying and laughing, how happy we were to see it. Good times for sure!! One year, you told Lorena and Bj all you wanted for Christmas was a kids meal. They had to buy it with their money, and they did! You laughed so much that morning when you opened the gift!! You taught Bj to ride his bicycle and you picking up Lorena after daycare, in Kissimmee. Oh yes, you cooking white stew pork in the back yard. These are just a few things, I can go on and on.....

Well, as they all say, good things must come to an end, we were very lucky to have you in our lives and now saying goodbye is so difficult to do. If love alone could have saved you, you never would have died. In life we love you dearly, in death we love you still. Our hearts hold a place for you, no one else can ever fill.

Love always: Aunty Vidya, Uncle Rudy and Mama
