“ Shane, You were too Inspiring and true to yourself to forget! I will always hold you in my heart and soul... No one will ever know the last thing you thought before you were on your way to Heaven, but I would give anything to know that. I became to Love you in such a short time, it truly was Amazing. With a blink of an eye, I finally saw the light. I'm not upset with you because I'm not judgemental, and I remember you saying that to me. I wish I could remember more, as much as everyone else in your family, I'm sure. But, most of all I wish you were still here!!! I know wishes come true, even if that last one won't. I KNOW PRAYERS ARE ANSWERED TOO! And Lord knows all of our prayers for you. I'll never forget your handsome face and beautiful soul! You are loved by so many, and quite frankly, I really don't know if you realized it. We'll always share the love for abstract art (David LaChapelle & others), wide range of music, among other personal thoughts. You may gone, but you're never over! This really is a sharp knife of a short life! You'll always be missed and loved. I'll see you on the other side. Love You Always in ALL ways, Shannon Mixer
