“ Our deepest sympathy to Debbie, Pam, Allison and families. Sharon was a friend and neighbor to us in Rio Vista, Dunnellon. We still have the plant she gave us as a house warming gift when we moved into our house in 1982. We always considered it our good luck plant. She was a very loving and giving person and will be missed by many.

“ A truly wonderful lady with a wonderful family. She brought happiness to all who knew her. You have many happy memories of your times together and I hope as your sorrow eases these memories bring you some joy again. Praying that you can find a small measure of peace in knowing that Grams is happy and secure in Heaven. I know that I am looking forward to seeing her there again in glory. I'll continue praying for your family during these difficult times.

“ I miss Sharon very much. She was the best mother-in-law that a person could ask for. It was so sad to see her in so much discomfort. I know she rests in Jesus and I look forward to the day that we can see Jesus coming in the clouds of heaven with thousands and ten thousands of angels. I've now lost 4 beautiful people to death and I know that we will meet again on that beautiful day. We (I) have this HOPE that burns within our (my) heart. Hope in the coming of the Lord. We have this faith that Christ alone imparts, Faith in the promise of His Word. We believe the time is here, When the nations far and near shall awake, and shout and sing. Hallelujah! Christ is King! Words and music by Wayne Hooper, a song song frequently in my church.
