“ My heart is heavy with the news of "Ms. Grier's" untimely passing. My sons, James and Clark Modica, were privileged to have her as a teacher. Not only did she make learning fun, she left a profound and lasting impact on them. I credit her with providing them with a positive, nurturing early educational experience that helped carry them successfully through college and post graduate school. We loved her and have remembered her fondly through the years. We will never forget her and will always be grateful that her life touched ours. Thoughts and prayers are with you all.
