“ Skip, Joe, Dan and Diane,
We are all so saddened by the passing of Sharon. She was a wonderful lady who loved her family dearly. For Joy and myself she was a great neighbor and friend through some very difficult times. She had a comforting way about her and she loved life. My kids fondly remember two very specific things about her. When we first moved into our house in Voorheesville she had our daughter Laura and our son Joe over to her house and they loved her cookies so much that she taught them right then and there how to bake them. They also remember that on Halloween Sharon always used to say "we have the big candy bars" for the kids and they loved the fact that they were "big candy bars" that the Jacksons (Sharon) was giving out to the trick or treaters. Our thoughts and prayers are with all of you at this difficult time. Rest assured that now we have another angel in heaven looking down upon us.

“ Skip and family,

I can't begin to convey how terribly, terribly sorry I am for your loss. Sharon was a very special person with such a kind soul. Although I only saw her infrequently on her trips north, I will miss her sense of humor and philosophical view of life. Sharon had a deep and abiding love for her family and she spoke of you often with equal parts humor and pride.

Skip, you and your family will remain in my thoughts and prayers at this most difficult time. May you find comfort in warm memories of Sharon.

*Sincerely,
Sue Lanahan*

One of my favorites, listening to her sing in church

"Great things happen when God mixes us up"
